

All Saints', Marcham - Church Weekend 2019

'Life to the full'

We are very much looking forward to our weekend away together on the 31st May – 2nd June. This is a great opportunity to be together as a church and get to know one another better from the youngest to the oldest. We hope to see as many people as possible from the whole congregation there!

The theme for the weekend is 'Life to the full' and we will be welcoming Rev. Yann Dubreuil, Vicar of the Benefice of Bentley, Binstead and Froyle. He also heads up New Wine's Rural Ministry.

The weekend will be held at The Poplars – a family-run centre specifically for Christian retreats and conferences. **We will have exclusive use of the centre during our time there.** On site accommodation consists largely of dormitory-style rooms with a few smaller ones for couples. There is also the option to camp or bring your own caravan or stay off-site in a local B&B. The centre is self-catering, so we will be organising a catering team and providing our own food.

There are a number of meeting rooms and lounges that we can use, a kitchen and dining area and a BBQ. Other facilities on site include an open-air pool with slide, various sports grounds and games rooms, a camp fire and lots of space!

A full children's programme will be part of the weekend and we have a youth team starting to prepare a programme.

Day trip

This year, we will be offering transportation to and from Marcham for those who would like to join us just for the day on Saturday. We are aware that for some, staying away overnight is not ideal but want to encourage some of our more mature members to join us as they are a valuable part of who we are as a church.

The costs for the weekend are as follows (Deposit of £10 per person required at time of booking).

<u>On site</u>	<u>Off site/ Day visitors</u>
Adult - £85	Adult - £30
Child (2-16yrs) - £55	Child (2-18yrs) £20
Under 2 yrs – FREE	Under 2 yrs – FREE

If you are on site, the accommodation costs are the same whether you are camping or staying in a room. The costs include use of all facilities and meals. If you are off-site the cost includes use of the facilities during the day and all meals.

We want the weekend to be as accessible as possible to all members of the congregation. If you have queries about finances, access or accommodation please get in contact with Tamsin to discuss further. There may well be a way to help you, but we cannot help if we do not know! Your information will be treated confidentially.

If you wish to come, please complete the booking form and return to Tamsin as soon as you are able. Since the numbers of rooms available are limited, please indicate whether you would be able to camp if needed. Caravans are also allowed though as with camping, there is no electrical hook-up.

If you have any questions, please do not hesitate to get in contact with Tamsin in the church office.

Kind regards

Richard & the staff team
