

DO YOU BELIEVE?

Do you believe the moon has rocks?

Do you believe man landed on the moon?

Why or why not?

When you see a gift under the Christmas Tree with your name on it, do you believe there is something nice inside?

Why or why not?

Do you believe you have a heart inside your body?

Do you believe it is the right size?

Why or why not?

"We believe many things even though we cannot see them. We believe there are rocks on the moon even though we have never been to the moon. We believe there are nice things inside wrapped presents, even though we cannot tell for sure until we open the box. We believe we have a heart, and it is the right size although we have never actually seen our heart.

Although we cannot see God, we believe He is real and that He loves us. In fact, He loves us so much He gave His only begotten Son, that whosoever believes in Him will not perish but have everlasting life. (John 3:16) Believing is the first step to real salvation. Do you believe?"
